As a result, New Milford Hospital will continue as a participating hospital in Anthem's networks without interruption. Covered services provided by the hospital to Anthem members will continue on an in-network basis.

We are pleased to have reached an agreement with New Milford Hospital that recognizes and promotes quality and safety achievements by the hospital. As part of the agreement, New Milford Hospital will continue to participate in Anthem's Quality-In-Sights®: Hospital Incentive Program, a program designed to measure health care quality and to improve patient safety.
