

# SCRIBNER APPLAUDS RESTORED FULL SERVICE OF DANBURY DMV

by: [jdooley](#) Wednesday, October 12th, 2011

DANBURY- State Rep. David Scribner (Brookfield and Bethel) joined Department of Motor Vehicles (DMV) Commissioner, Melody Currey and other legislators at the Danbury (DMV) Branch to announce that the Danbury Branch will resume full service following reductions previously imposed as a budget savings measure.

Rep. Scribner, the lead Republican on the legislature's Transportation Committee, initiated a meeting two weeks ago with the DMV Commissioner at her office in Wethersfield and urged her to do reopen the Danbury Branch following numerous complaints and comments received by constituents throughout the area.

“Although the reduced service at the Danbury Branch of the DMV was built as a cost-saving, budget cutting measure, the inconvenience of forcing taxpayers to drive further with the closest full service DMV in Waterbury, was adding insult to injury after Governor Malloy raised many DMV fees to help plug the budget deficit.”

Rep. Scribner added, “The reductions in services of the Danbury DMV would have been devastating for the local businesses and many of area auto related businesses that rely on a local DMV to complete their sales transactions. This is a victory for the Greater Danbury Area and its people.”
