

Warwick Agency Mike Zschunke Press Release

Warwick Agency Ltd. Welcomes New Agent, Mike Zschunke

Warwick Agency Ltd. is happy to welcome their newest agent, Mike Zschunke, to their Brookfield, Connecticut Insurance Agency.

Brookfield, CT -- August 27, 2013 – Warwick Agency Ltd. (also known as The Warwick Agency) is proud to announce that their newest agent, Mike Zschunke, has joined their team in Brookfield, Connecticut.

Mike built a successful career on the Chicago Board of Trade before he and his wife, Dr. Bonnie Zschunke, returned to Connecticut over 13 years ago to open Brookfield Family Chiropractic. Together, Mike and Bonnie have enjoyed building a very successful practice while raising their children and balancing their business with an active family life. In his spare time, Mike enjoys spending quality time with his whole family, exercising, and racing motocross with his daughters.

Relying upon the experience he gained in the financial services industry and the experience of owning and operating several successful businesses, Mike has joined with Charlie Harrison and the agents at The Warwick Agency to provide insurance needs to the many in the community with whom he's built strong relationships over the years.

Ever the optimist, Mike believes that hard work yields positive results; and it is with this spirit and dedication that he looks forward to working with The Warwick Agency to fulfill the essential insurance needs of his fellow Brookfield residents as well as of the residents in the surrounding area.

The Warwick Agency is a local, family-owned and operated insurance agency that has been serving clients throughout Fairfield and Litchfield Counties with a knowledgeable and service-oriented approach since 1963. Whether there is a need for home, auto, life, health, employee benefits, commercial insurance, or financial planning, The Warwick Agency has the experience and the resources to tailor a program to fit both individuals and local businesses.
